# British War Vets Are Hard Hit

## Devaluation Cuts Pensions 96 Cents On Each Pound

Some 600 British Imperial war veterans of Edmonton who receive pensions are hard hit by recent devaluation of the pound sterling.

President Tom Brown of Canadian Legion branch No. 24 here has wired Dominion Command of the Legion and representatives of British Empire Service League now in Ottawa. He has urged immediate action to stabilize Imperial veterans' pensions in Canada at 10 per cent.

Edmonton Legion officials urge Dominion Command officers to advise the British Government. Telegrams ask that an exception be made of Imperial veterans' pensions in Canada as far as devaluation is concerned.

Said Secretary-Manager W. J. Williams of Edmonton Montgomery Branch: "We urge pensions be maintained at a par value for Imperial veterans now citizens of Canada. Otherwise many veterans will be unable to live on their pensions." He pointed out Imperial veterans will lose about one dollar in four paid in pensions at the devalued rate.

Those formerly paid at the rate of \$4.00 to the pound sterling will lose one dollar under devalued rates—a loss of 96 cents on the pound sterling at the new rate. A pensioner loses about four

## Regiment Names Darlinton Committee Head

Members of the Loyal Edmonton Regiment returned Capt. T. P. H. Darlington, ED, as president. The committee held following this season's first parade.

Other officers elected were: Major H. G. Field, vice-president; Capt. M. P. Flowers, treasurer; and Capt. E. H. Pritchard, secretary. Executive members are Capt. J. Hunter, Capt. R. G. Gies and Lieut. R. G. Gies.

Honored on his retirement after many years of service in the Battalion, Major H. G. Field received a presentation from L. Col. W. T. Trumb, officer commanding, at a function attended by all officers.

The display of military insignia started in medieval times.

## Local Prices Seeking New Devaluation Levels

Edmontonians are going to pay less for English cars and more for American fruits.

Britain's devaluation of the pound, followed by Canada's devaluation of the dollar, has sent prices spiralling and tumbling in a dizzy financial whirl.

Edmontonians will feel the first effects of M. devaluation on Monday as much as 20 per cent here by the time the prices of oranges and lemons will climb two or three cents a dozen.

Price of grapefruit is also expected to increase a few cents. The citrus fruits, imported from the United States, are the only consumer goods likely to take an immediate price hike as a result of the 10 per cent devaluation of the Canadian dollar.

Dealers here have less than a week's supply of the perishable fruits on hand, and shipments arriving late this week will carry the price mark-up which will be passed on to consumers.

Other fruits and vegetables retailed locally are produced in Canada and will not be affected by the devaluation, local wholesalers said.

CARS OFF \$200  
At Edmonton, English-made cars dropped \$200 in price last yesterday.

Small type English cars which sold last week for \$1,800 and \$1,700 were reduced in price to \$1,600 and \$1,500.

On larger, expensive English-made cars, the price drops may be as much as \$1,000, it was reported here.

Dealers said many inquiries were expected yesterday, as prospective purchasers of English-made cars anticipated price drops resulting from the sterling devaluation.

With devaluation of the Canadian dollar expected to have the opposite effect on prices of American-made automobiles, Edmonton car dealers await official word from Eastern headquarters about the price of compensation for the 10 per cent to compensate for the devaluation.

One city dealer said the devaluation would likely result in a speeding up of plans to manufacture some makes of American cars in Canada.

CLOTHING SEEN DOWN  
Prices of British-made woollens and other clothing items may drop.

## Two Drivers Court Fines

Police radio was to apprehend two drivers who appeared in police court today. Both had failed to remain at the scene of accident.

James Grant, of Edmonton, was arrested by city police after he left the scene of an accident September 20. Grant struck another car as he cut into a lane of traffic on Jasper.

He was arrested upon a description of his car was sent out over police radio. His fine was \$50.

John Steele, no fixed address, was arrested by an RCMP patrol as he neared Edmonton from Weiskam. He was involved in a minor accident with an oil tank truck near Weiskam. A description of his car was radioed to the Edmonton detachment.

Steele was fined \$50 or three months in jail.

## Optometrist Speaks

Guest speaker at the annual Edmonton Optometric Society luncheon, held last night at the Coronet hotel, was R. F. Mainwood, local optometrist. Subject for his lecture was the economics of the optometrist practice.

Chairman of the society is J. G. Howard.

House building in Edmonton during 1949 will reach a value of more than \$20,000,000.

REGISTRATION of delegates attending 44th annual meeting and scientific convention of Alberta division of Canadian Medical Association was held today. About 250 Alberta doctors are attending three-day meet. at University medical building. Among registrants was Dr. J. P. Brander, 10652-31st avenue, who has been practicing since 1911. Evelyn Haddow, 8907-31st avenue, assisted registration.

## Forgery Charged

LETHBRIDGE, Sept. 21.—(CP)—William Wilson of Montreal was arrested yesterday by Lethbridge police and charged with forgery and uttering. He allegedly cashed a traveller's cheque belonging to W. B. Benson of Vancouver.

FORMER POLITICAL adviser, Robert D. Murphy, to the U.S. occupation staff in Germany, has been nominated by President Truman to be the new ambassador to Belgium. Murphy, 54, is a native of Milwaukee. He recently headed the division of German and Austrian affairs in the State Department.

## Soviets Only Fear Bombers

WASHINGTON, Sept. 21.—(AP)—Gen. Henry H. Arnold, wartime United States air forces chief, contends that Russia fears neither armies nor navies but only far-reaching bomber strength. "If" Arnold sets forth his ideas in a book, "Global Mission," published today.

The general, who duffed his uniform after the war to confound 35 years' service as a military airman, decides the only thing the Russians recognize is something stronger and mightier than they possess. He puts it this way: "And let us remember Russia has no fear of an army she thunders just as good as, and bigger than, any in the world; she has no fear of a navy, since she can see how it can be employed against her, but she does fear our long-range strategic air force, which she cannot as yet match, or see yet ahead of." "In the strategic air force, coupled with our atomic bomb, at this writing we hold the balance of power in the world. "By tomorrow the picture may change."

## IN B.C. APPEAL COURT

# Peeping Toms Declared Criminals For 1st Time

VICTORIA, B.C., Sept. 21.—(CP)—Peeping toms were officially declared criminals yesterday for the first time in Canadian legal history. The precedent was set in appeal court here in a majority decision handed down by Mr. Justice C. H. O'Halloran.

Formerly, peepers were committed on side chains such as trespassing. The appeal court judgment also clarified for the first time the rights of any citizen to approach a peeper caught in the act and the right of police officers to arrest peeping toms on complaint and without a warrant.

The ruling came as a result of a dispute filed and launched by Bernard Frey of Richmond, B.C., against Douglas R. Stone and Cpl. C. Watt. An appeal court dismissed a 1947 charge that Frey had been guilty of peeping through a window at St. Patrick's 80-year-old mother as she was preparing for bed. Frey contended consequently that Peepers had been wrong in chasing him with a butcher knife and Stone wrong to arrest him without a warrant.

Mr. Justice O'Halloran quashed the charge against Frey and Stone and ordered Cpl. Watt to pay Frey \$100 for false imprisonment. Noting that the criminal code does not make peeping an offence, Mr. Justice O'Halloran pointed out "it must be plain that merely looking through a window at night is not in itself a criminal offence." But he added "the circumstances here surround the intruder's act of looking in the window with such sinister implications that in lack of credible explanation his conduct, as a whole must be regarded as a criminal in common law."

## Feed Grain Freight For Alta., Sask. May Be Helped

OTTAWA, Sept. 21.—(CP)—Farmers living on some 3,000 square miles of dusty, sun-baked land in the middle of the prairies may receive government help in licking the problem of getting feed for their livestock.

Agriculture Minister Gardiner told the Commons last night the government will shortly consider a request for Alberta assistance to facilitate movement of feed grains to the Alberta-Saskatchewan drought area.

**CROP FAILURES**  
John Dieffenbacher (PC—Lake Centre) related the problem during committee discussion of agricultural estimates. Large areas in southwestern Saskatchewan and adjoining Alberta had suffered complete crop failure. Farmers had no feed for hogs and cattle and it was coming from other districts.

Mr. Gardiner said he had discussed the problem with Agriculture Minister Noyes of Saskatchewan. On receipt of a letter from Mr. Noyes, he would take up the matter with the cabinet.

The Commons devoted most of yesterday's session to agriculture department estimates after Justice Minister Gorman moved second reading of the bill to abolish appeals to the Privy Council.

When the Commons rose, the Agriculture department estimates were applied. The Agricultural discussion, involving dozens of questions and requests, was continued until 11 p.m. by two departmental caucuses.

**IF MEASURES PASSED**  
When the Commons rose for the night it had passed 34 of the 45 sections of the last list of agricultural estimates.

During discussion of the drought problem, Mr. Dieffenbacher asked whether anything has been decided on location of the proposed dam on the Saskatchewan River irrigation project.

Mr. Gardiner said the government has spent \$200,000 to disprove whether the dam would be profitable. The report is not yet available.

That, though tough enough, is the past. What risks there would be that, as an adult, he says he's having the same trouble—wheat.

"It's actually hard to get dates," he complained. "The girls think you're concealing. They think that you can have any girl you want."

**IS HE KIDDING?**

**CHANGE URGED**  
Arthur Ross (PC—Souris) a Manitoba farmer, accused paid farm agents, accused paid farm agents, accused paid farm agents.

Mr. Gardiner said this could not be done. The Act has been brought in only as a carry-over measure until many people living in sub-marginal drought lands could be moved to more productive areas.

**Farmers Study Irrigation**  
LETHBRIDGE, Sept. 21.—(CP)—Some 40 southwestern Saskatchewan farmers, many of them from the rural municipalities, arrived here last night to study irrigation at first hand and visit the St. Mary's River dam.

The trip is sponsored by the Saskatchewan River Development Commission. To acquire leaders in the S.R.D.A. area with what may be expected under irrigation and with problems of water conservation and use.

Police are also taking a hand in squelching the suddenly-burgeoning cattle market. In Lethbridge last week air was charged with cattle thieves.

In addition to the rustler problem, cattlemen were faced with coyotes resorting to an unusual tack. Ordinarily they do not attack cattle, but this year they targeted up in packs of a dozen and killed many valuable calves.

Modern-day rustlers now pick up four or five stray steers in a truck, haul them to a cattle market and dispose of them for \$200 or \$300.

In some cases they shoot cattle on the range and sell the carcasses.

Kenneth Coppock, association secretary, said in an interview that cattlemen are suffering increasingly heavy losses from both two-footed and four-footed predators.

When a steer was worth only \$15 to \$20 there didn't appear to be so many that an entire herd that they're worth about \$200 losses have reached serious proportions.

By Howard C. Heyn (For Bob Thomas)

**HOLLYWOOD**—(AP)—Some of us pie-faces are hard to convince, but John Dureya insists that good looks can be an awful liability.

Don't expect Derek to be modest. The town's new rave among leading men won't deny his handsome. On the contrary, he says:

"The movies always cast the good-looking boys as the leading man, but actually, in real life they are unloved. Yesterday when they opened the picture of a 13-year-old runaway girl, the 'bag' contained 'enough TNT' to blow up the building."

Kids, he said, are inclined to shy away from men who with pretty faces. "They think you feel superior, or they think you're a weakling. It's a hundred times harder to prove yourself a man."

# Lamour-Duryea Star at Strand

## Mystery Drama 'Manhandled' Opens Run Here Tomorrow

Dynamite-packed action comes to the screen tomorrow when the Strand Theatre presents Manhandled, co-starring Dorothy Lamour and Dan Duryea.

Miss Lamour plays the part of a secretary to a psychiatrist who gets herself into hot water for breaking professional ethics.

She tells Karl Hanson (Dan Duryea), her neighbor, about a new patient who dreams that he kills his wife while her jewels are still on his finger.

Sty Mr. Duryea makes the dreams come true and hijacks her away from him at all.

Dorothy Lamour by planting a ring in her room.

But detective sergeant Cooper (Sterling Hayden) doesn't let out-ward appearances fool him and, in the end, justice triumphs.

# ATMOSPHERIC TRICK

## Sorry, Wrong Town, Fire Dep't Is Told

LOS ANGELES, Sept. 21.—(AP)—"Battalion chief eleven" droned the Fire Department dispatcher over the short-wave radio. "Fire reported at 3300 Lake View Terrace."

Battalion chief eleven returned the call a few minutes later. "There's no such address," he said. "You mean to tell me I don't know my Los Angeles?" the dispatcher snapped back.

There was a pause. The party on the other end chuckled. "You may know Los Angeles, but this is Cleveland, Ohio."

"Sure enough, it was a trick of the atmosphere had tangled up the two fire departments. They agreed on the same wave length."

# CHIP SHOTS

By Hugh Watson

Looks like the local golf scene will have to wait until 1951 to see the likes of Bud Ward, Stan Leonard and Walt McElroy again.

The '50 edition of the Alberta Open golf tourney is scheduled for Calgary—probably at the Country Club.

We do have some consolation, however. By the time two more summers roll round, the Open money will probably be boosted to \$2,500, good enough to attract a few more big names in the golf world.

Already local officials are talking of Ed (Porky) Oliver, the party pro from Tacoma, Wash. And then there's big Chuck Goodson, another Washington state star, winner of the 1948 Canadian Open in Vancouver.

British Columbia golf officials already have three top on the dotted line for their \$2,000 Open, Oct. 26-27. Prairie centres will be well represented, such as Gary Martell, Buddy Lefebvre, and Dave Dixon already having filed entries with the B.C. body.

Reports out of Vancouver already have Malcolm Tipp, Banff, Frank White, Calgary, Pat Fitch, Saskatoon, and Pat Fletcher, Regina, all lined up for the three-day show.

We were rather surprised the other day to see a short item in a Chicago sports page headed "Joe Louis knocked out in first round." Being a great admirer of the Brown Bomber we read on and found the former heavyweight king had been eliminated in the first round of the U.S. national Negro tournament at Detroit.

Bruce Cooper, Pontiac, Mich., dropped over the pole and left the Bomber on the sidelines.

More than 80 skaters were scheduled to compete on Prince Rupert golf course this afternoon for the annual Mea Wear golf tournament.

The big day will wind up at seven o'clock tonight with a dinner in the Legion hall on Kensington.

A plan to attract more golfers to a week after the Haystack Lake tournament in Idaho, Oliver and Langdon usually attend a two-day affair south of the border and could easily make the jaunt north before returning to their home state.

Financial statements from the AGA will be out in a few days for the Open at Haystack Lake. Proceeds from program advertisements will probably be somewhere in the \$2,500 vicinity, making it a nice show for all concerned.

The Open committee is in line for a big bouquet for their handling of what started out to be a delicate situation.

It was the first time in Alberta golf history that the cash award reached the two grand mark.

Who's the hot choice in the City Open at Edmonton, Calgary club Sunday? We pick Pete Olver over Henry Martell, with Vern Mohr giving both a close battle.

**Baseball Title Won Easy Way**

DREMBELER, Alta. Sept. 21.—(BIP)—The Drumheller Legion Junior Baseball team was declared Alberta Provincial Junior champions yesterday without playing the final game of the series.

Secretary of the Alberta Amateur Baseball association, MacLean, said it is a wire to F. 730. One hour later Statistics of the Intermediate women's division will take the four for their first practice of the season. All players wanted to catch a berth with the teams are asked to be on hand.

**FLAGPOLE CHARLIE 'CONCEDES' FLAG LOSS**

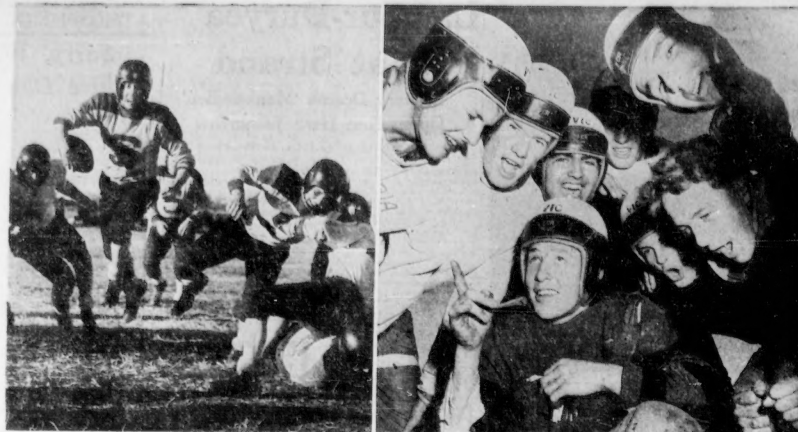

CLEVELAND, Sept. 21.—(AP)—Although his beloved Cleveland Indians were mathematically eliminated yesterday as an American League pennant contender, Flagpole-Charlie Phillips announced he is still with 'em.

From the 40-foot-rope he climbed 112 days ago, the 37-year-old fireworker announced the Indians "are going to win the year."

And I'm gonna be out there hollerin' for 'em, not up here listenin' by radio," he added.

Charlie intends to remain on top of the pole until Oct. 2, the day the Indians end their season at Detroit. His original vow, he said, was to stay on top of the pole until the Indians took over first place.

### STUKE'S PROBLEM

## TD Jitters Hamper Esks

By Dick Beddoes

ABOARD THE ESKIMO SPECIAL, Sept. 20.—Big top of conversation in Edmonton, according to reports, is the inability of the Eskimos to take advantage of their scoring chances.

That is a coincidence, because as we speed westward across the plains it is the big topic of conversation here, too.

Coach Annis Stuke is especially talkative about it. So let him tell it. LACK TIMING

"We lack timing in the backfield when we get inside the opposition 15-yard line. And our passing attack, which we count on to score touchdowns from outside that 15, has been disappointing.

"Our timing has been off because we have never had one backfield unit together long enough for it to click the way a high-scoring backfield should. Our passing attack hasn't been a threat because the passers, Bill Stukus and Chuck Ferenboch, aren't getting rid of the ball fast enough and hitting the receivers."

Still Stuke is pretty satisfied with his Eskimos. Because after thumping Winnipeg's Blue Bombers 19-0 Monday night they are much back to their Edmonton legion in third place in the Western Conference.

Had they lost they would have been shuttled into the basement. Earl Eley broke his arm against the Bombers and flew home yesterday. Otherwise, the club is in good shape.

Trainer Ben Tonal reports that Danny Goulet's injured left eye might keep him on the sidelines for the Saturday game in Calgary. The ex-Vancouver end caught a blow in the optic. It is completely closed.

**NICK ALBERT**  
Nick Albert, injured in the Regina contest, will be fit to go Saturday.

"Ponglin" Pat West, troubled earlier by a cyst on his leg, now is troubled with a sore hand. But coach Stukus feels the big season-rocker from Florence, Pennsylvania, is about ready to about the game, wherever that may be.

The penalty for murder in various states of the United States can be by electrocution, lethal gas, hanging, shooting or life imprisonment.

NEXT IN LINE for Benny Geary is Calgary's Wilf Desjardins. Boxing promoter Jack Berry announced Geary will meet southern contender in 10-round main here Sept. 30. Desjardins already holds one-round kayo over Western Canada welter champ Jimmy Nolan.

**Graham Tops Grid Point Race**

WINNIPEG, Sept. 21.—(CP)—Vers Graham, Calgary Stampeder's place-kicking backfielder, came up with six points in the last week of play to take over first place in the Western Interprovincial Football union scoring parade.

Statistics compiled by the Canadian press show Graham with 22 points, two more than Sammy Pierce of Saskatchewan Roughriders, who failed to add to his previous week's total, and Woody Strode, Calgary, who added five points to his previous 15.

Graham's total comes from 10 converts and four field goals. Pierce and Strode each have scored four touchdowns.

Slamper Harry Hood and Riders' Matt Anthony are tied for the next spot, each with 15 points, while Bob Sanderson of Winnipeg Blue Bombers and Pat Santucci of Riders are deadlocked with 12 points apiece.

Edmonton Eskimos' Pat West, with 11 points, follows. Three players—Calgary's Normie Kwong and Sugarfoot, and Riders' Del Wardle—complete the list, each with 10 points.

**COAST NAMES FIGHT TEAM**

VANCOUVER, Sept. 21.—(CP)—Four boxers were named yesterday to represent British Columbia at the National Boxing championships and Empire Games trials at Port Arthur, Oct. 6-8.

The team is headed by Eddie Haddad of Esquimalt, B.C., southpaw navy boy voted Canada's outstanding male athlete of 1948. He fights as a lightweight.

The others are: Len Walters, featherweight; Life Kase, welterweight; both of Vancouver; and Tony Sandoz, bantamweight, of Chilliwack.

The penalty for murder in various states of the United States can be by electrocution, lethal gas, hanging, shooting or life imprisonment.

THOMPSON NO PATSY

**Sawyer Burned Up At Dogers**

ST. LOUIS, Sept. 21.—(AP)—"Let the Brooklyn people run their ball club and I'll run mine," Eddie Sawyer, manager of Philadelphia Phillies, said today.

Sawyer was burned up over Brooklyn accusations he was handing St. Louis Cardinals the National League pennant on a silver platter by starting rookie pitcher Jack Thompson Monday night. Thompson was called up from Toronto Maple Leafs at the end of the regular international league season.

**Phils No 'Patsys'**  
After Thompson turned back league-leading Cards 4-3, Sawyer took occasion to direct a few choice remarks at the second-place Dogers.

"I hope Jocko's work convinced the Brooklyn dugout months that we are not bringing up 'Patsys' from the minors nor do we have any 'Patsys' on our ball club.

"We're playing every game to win just as if we were fighting for the pennant. We've been getting good pitching, as witness Thompson's victory and Russ Meyer's recent outburst."

And, said Sawyer, "We'll use Jocko again before the season is over and if possible we'll give the Dogers the same treatment—I hope with Thompson—that we gave them the last time we were at Ebbetts Field."

## Brooklyn Batters Cubs For 5-0 Win

### Cards Edge Phils to Hold 1 1/2 Game Margin Over Brooks

NEW YORK, Sept. 21.—Brooklyn Dodgers threw a string of zeros at Chicago Cubs for the second consecutive day yesterday, taking a 5-0 National League triumph.

Victory kept Dodgers a game and a half back of St. Louis Cardinals.

Cardinals shelled their long-time nemesis, New Heintzelman, to score a 7 to 5 triumph over Philadelphia Phillies. Heintzelman departed after yielding 11 hits and six runs in four innings. Fred Martin, who pitched until the sixth, was credited with his sixth victory against no defeat, Del Rice of the Cards and Del Ennis of the Phils hit homers.

Cleveland Indians were mathematically eliminated from the American League pennant race when they bowed to the Boston Red Sox 2 to 0, Southpaw Mel Parnell gained his 24th victory as he checked the 1948 world champions on eight hits, 5 to 1.

Bob Lemon of the Indians had a no-hitter and a 1-0 lead until the sixth. Then Parnell spotted with a single and was sacrificed to second.

Johnny Pesky's single scored Parnell and Lemon loaded the bases by walking both Ted Williams and Vern Stephens. After the Bobby Dore forced Pesky at the plate, Al Zarilla doubled for two runs and Billy Goodman also doubled for two more, five runs in all.

**TOO MANY WALKS**  
The Red Sox, however, remained three games behind the first-place New York Yankees, who defeated Chicago White Sox, 5 to 1. Lefty Bob Kuzava of the White Sox held the Yankees in three hits but walked 10. Yankees clinched the game with two runs in the second on Gene Woodling's walk. Cliff Mauer doubled, an infield out and a wild pitch.

Allie Reynolds scored his 17th victory but needed Joe Page's help in the eighth.

Pete Soder's 19th homer of the year, with two on in the eighth inning, gave Philadelphia Athletics an 8 to 6 win over Detroit. Southpaw Lou Brissie relieved Carl Schell in the seventh and gained credit for the win.

Fred Hutchinson was the loser.

### MANAGER ADMITS \$1,500 WAGER

CHICAGO, Sept. 21.—(AP)—A boxer's manager admitted yesterday to the Illinois State Athletic commission that he had bet money on a fight in violation of commission rules.

After hearing the testimony of Howard Fraser, the manager, that he had bet \$1,500 on his Negro welterweight Johnny Bratton, in a fight against Gene Burton last year, commission set a hearing Oct. 2 on revocation of the manager's licence.

**CLARKE STADIUM**

### High School Grid Opens Friday

Edmonton's 1949 high school football season makes its debut Friday night with a double-header at Clarke Stadium.

First game—Victoria Composite against Weirgin—is scheduled to get underway at 7:30. Defending champions from St. Joseph meet Seona in the second half of the twin attraction.

High school officials have announced a half-time entertainment show with 15 informed drum soloists leading the cheering sections.

Saturday will see the remaining teams of the six-league swing into action when Garneau-University Kliffs off against Eastwood at 7:30.

Teams — after an extensive three-week training session—report all in top condition for the opening whistle.

Officials for Friday night's opening will be Bud Marquardt, referee, Don McCannell, umpire, and Jim Pyper, lineman.

## That Man Paige Again

Life may begin at 40 for the average Joe. But for Satchel Paige, venerable Negro righthander of Cleveland Indians, it begins each spring-training season.

Already Paige, who may be 43, 44, 45 or 46 come next year, is looking forward to the 1950 American league pennant chase.

"Goin' t' show 'em a new knuckle-ball next season," he told reporters the other day. "Goin' t' throw it different, too... with my knuckles, not my finger tips."

Paige plans to hit the barnstorming trails—his first baseball joy—once the 1949 curtain comes down late this month. He'll be accompanied by Gene Bearden, sensation of the 1948 campaign, when the Indians won the American league pennant and then knocked off Boston Braves in the World Series. Bearden has been a big flopper this time.

Last spring, at the Tucson training base of the Cleveland club, the southpaw was confident he'd stashed away 20 games during the current season.

"I should be able to get a contract for about \$70,000 if I do that," popular Gene day-dreamed aloud.

## Here Today, Skidway Tom Tomorrow

However, rival hitters cut him down to size, or maybe he wasn't quite as lucky as a year ago. There were those who maintained, even when Bearden was bowling along at a virtually unbeatable clip, that he was "lucky," would prove a "one-season shot" as a major leaguer.

And when Bob Feller likewise proved unable to win any oftener than the \$6,000-per-year pitchers on the club, Indians' chances of retaining their World Series laurels went "bloody."

But to get back to Satchel Paige.

In his faded colored flinger will have more than a warmed-over knuckler with which to tantalize Ted Williams, Joe DiMaggio and other sluggers next year.

Famed almost as much for his quippy stonach as for his pitching feats, Of Satchel claims to have uncovered a new anti-gas chemical for his food-tank.

"Man, it'll do the trick sure," he claims.

## It Was A Belch, Chums

By now a lot of stories have sprung up about the Paige gray pains.

But definitely it's not true that Satch's spring training consists of a five-minute warm-up 24 hours before opening day, topped off by the emitting of a king-size belch.

Now that age is creeping up on him he finds it necessary to belch at least twice a day.

"They say he let one go at Tucson last spring that frightened three rookies clear back to the Three-Eye loop. Satch was caught short without his 'Alky-royal' medicine that day... was strictly on his own."

"I think that tops any belch I ever let go before," he said modestly.

Like the other Indians, Of Satch just shakes his head over the present plight of the world champs of 12 months ago. "There it was just begun to be won... that pennant. Can't see how we missed."

In his heart Paige figures manager Lou (The Boy Manager) Boudreau should have called on him oftener in relief. "I'm geared 't' pitch every day—two, three, four innin'." he expresses it.

And he expects to be in high gear again next season, especially if the "Alky-royal" supply holds up.

FRANK WOLFE and Brant Matthews, sponsors of champion Cubs and runner-up Eskimos of the Big Four Baseball league, respectively, played host to their teams at wind-up banquets last night. In upper panel Cubs' bossman Wolfe "posed" with skit-players, from left, Al Purvis, Jim Ryan, John McManus, Slim Ciovisinski and Reg Clarkson. Below, wives of Eskimo players get big bang out of efforts of Mrs. Cliff Johnston to make backer Matthews at least nibble on bread-roll. From left, Mrs. Elmer Thomas, Mrs. Ed Belter, Mrs. Ralph Morgan, Mrs. Dave Brockie, Mrs. Ed Morris and Mrs. Gerry Seaman.

## Cubs, Esks Do The Town

Cubs, newly crowned champions of the Big Four Baseball league, as well as Eskimos, team they detested, were "out on the town" last night.

Occasion was a pair of banquets—banquet and dance, in case of the Eskimos—attended by players by sponsors Frank Wolfe and Brant Matthews, respectively.

Cubs held forth at Highlands Golf club, while members of the Eskimos, accompanied by their wives, took over a downtown ballroom, lock, stock and orchestra.

And definitely a good time was had by all, no matter which shindig one happened to attend.

K. G. (Ken) Montgomery, treasurer of the Eskimo football club, presented the Big Four league trophy to Cub manager Les Ed-

ward and director Clarkson did a pretty good job of lampooning various gentlemen who had a hand in team management.

Punch line was credited to Grove. During a discussion by the "brass" (spring of 1950), Grove (Clarkson took this part) gets off a crack that goes like this: "I think I know where we can get a good catcher. Name is Out Kyle."

Cal Pickles, well known men's merchandiser, presented each Cub with an attractive, inscribed tie-pin.

Among guests in attendance at Eskimos' affair were Mayor Amley, Police-chief Jennings, Mr. T. J. Ducey, Dr. C. R. and Mrs. Dobson, Mr. and Mrs. Ed McHugh, Mrs. R. Price and Mr. and Mrs. Tommy Kennedy.

Sponsor Brant Matthews was the principal speaker. In addition to congratulating the players at his own team for their splendid efforts last season, he had a word of evening.

## DAVE DIXON ENTERS CITY OPEN TOURNEY

Dave Dixon, professional at Red Deer golf club, will be the only out-of-town golfer on hand at Edmonton Country Club Sunday for the annual City Open tournament.

Present plans call for an early start in the 36-hole one-day show. Providing there is no frost on the ground, first threesome will leave the first tee at 8:30 a.m. More than 55 are expected to enter before the deadline tomorrow night.

Only pro missing from last year's lineup will be Lefroy Goldsworthy, whose lucky commitments have taken him east.

## Pep Scores 7th Round Knockout

WATERBURY, Conn., Sept. 21.—(AP)—Willie Pep, calling his shots like a champion should against an old sparring partner, stopped Eddie Compo of New Haven last night in 41 seconds of the seventh round in defending his world featherweight crown at Municipal Stadium. Referee Bill Conway halted the uneven contest at the request of Compo's chief second, Goldie Goldfarb.

The crafty Pep, making his crown for the first time since he captured it from Sandy Saddler last February, was in complete command at all times.

Most of the crowd which braved the chilly weather to see the bout pleaded with the referee to stop the contest before he did. Compo, willing and eager but overmatched, was floored for nine counts twice in the fifth and once in the seventh before the end.

A left hook to the jaw dropped Compo, who weighed 124½ to 136 for the combat, midway in the fifth bout. He got up to run smack into another furious barrage from Willie Pep. This time a right-hand shot, flush on the "million" sent him sprawling for another rise.

Pep, the Hartford, Conn., vet who celebrated his 27th birthday Monday, put over the finisher in the seventh. A left hook dropped 21-year-old Compo on his back. He rolled over and waited for the count to reach nine. As he got up the referee heeded the shouting.

praise for their counterparts, the Cubs.

On behalf of himself and players of the team, manager Ralph Morgan presented Mr. Matthews with an attractive item of luggage. In turn the players were presented with "gift certificates" by sponsor Matthews. As well as Cal Pickles had a "parcel" for each player.

Police chief Jennings and team general-manager John Ducey were others who spoke. Except for Ted Tappe and Bob Peterson, who returned to Seattle yesterday, and Dick Lowe, unavoidably detained, all players were present.

Dancing wound up an enjoyable last season, he had a word of evening.

ENTRANTS from southern Lake Michigan, standing from left to right, will take part in five-day world championship starboat competition. Seven foreign countries were represented among 42 crews.

## Prairie Harvest Through Except for North Alta.

OTTAWA, Sept. 21.—(CP)—Harvesting in Manitoba, Saskatchewan and southern Alberta is nearly completed, the Dominion Bureau of Statistics reported yesterday. Wet weather, however, has delayed the harvest in some sections of northern Alberta.

Harvest has been two per cent above normal in Manitoba during the growing season, but in Saskatchewan it has been 10 per cent below normal and 20 per cent below normal in Alberta.

About one per cent of the wheat and coarse grains in Saskatchewan has not yet been cut while from 15 to 20 per cent remains to be threshed.

Heavy frosts have been reported in some areas but no extensive damage has been indicated so far.

Frosts have reduced grades and yields of grain in many sections of Alberta, although bad damage was reported heavier than usual in the sections from Lacombe to Ponoka and from Clonville to Harewood.

In southeastern Alberta around Mayberry, harvesting is reported completed with yields considerably below average.

Harvesting in southwestern areas is almost completed with variable yields reported. Frost caused some damage to a few late grain crops and canning corn.

Sugar beet harvest now is under way and average yields of 12 tons per acre are expected.

In the Claresholm area threshing is completed with wheat yielding about 20 bushels per acre, oats 30 and barley 20. In this area, yields are very dry and no reserve moisture is indicated.

**75% OVER AT HANNA**

In the Hanna area of east central Alberta, harvesting is about 75 per cent completed with average yields expected to be considerably below normal.

Reports from Vermilion in the north-eastern part of the province indicate threshing about 50 per cent completed although rains will delay harvesting for the remainder of this week.

## Avenue Furniture Opens Tomorrow

Expert Staff To Handle Business Of New Establishment

By Much Demsey

Specialists in upholstery, and retailers of complete lines of household furniture, is The Avenue Furniture Co. Ltd., 8818-118 avenue.

Tomorrow, when the firm has its grand opening, the finest in upholstery will be available to citizens of Alberta Avenue and at Edmonton.

Stan Haines, manager of Avenue Furniture, has much experience in the upholstery field. He began his apprenticeship with Thornton and Perkins, in 1926, and except for a period when his services as an expert carpenter were needed during the war, he has followed the upholstery trade in Edmonton, until he became an expert in every field of the trade.

With him, Mr. Haines has obtained the services of the most capable and efficient staff possible.

Avail Vickers upholstery has had 15 years of experience in his trade, while Wallace Brown, spinner, and John Christie, upholsterer, have become experts in the field.

In the office and sewing room are found only the most capable and experienced employees.

With their highly skilled staff, Avenue Furniture feels capable of handling the most varied jobs, and turning out custom work of the highest quality.

Every phase of the work—designing, framing, cutting, polishing, and upholstering, will be handled by the trained staff at Avenue Furniture.

About half of the building at Avenue Furniture will be taken up by the upholstery department, with the other half for their retail store. In the retail section the popular lines of furniture, bedroom suites, electricals and kitchen suites will be carried.

For convenience in the customer, evening appointments may be arranged by phoning 74741.

**WINTER SHADOWS DARKEN SUMMER SCENES**  
 THE TOURISTS are straggling home. The shadow of winter is darkening the playground of summer. Nights are longer, and chillier. With the leaves turning, there is still beauty in the day. But the darkness has had some advantages such as those shown reflected in a lake with the sun's rays on the mountain tops. It has photographed at dusk.

### 5,000 Brave Mud To Pray Together

**By Ken Liddell**  
 Provincial News Editor

**WESTLOCK, Sept. 21**—They say that the family that prays together, stays together, and this one almost begged in the mud.

The chug of tractors, which in themselves know much of nature's way with the soil, helped to bring the 5,000 custodians of God's green acres hereabouts, to symbol of the Cross.

They came from miles. Were on the road for hours. And they went to what people in Westlock call the Old Acre—some person in giving directions referred to as "the big barn of a place"—where they heard the oldest story ever told, a story which had its birth in a stable.

**Thrift Charge Preliminary**

**WETASKIWIN, Sept. 21**—Charge of breaking and entering against Wm. Hummel, Red Deer, was laid by Crown Prosecutor H. W. Manley, K.C. Monday afternoon in the Westlock court.

Hummel, 34, was charged with breaking and entering the home of Mrs. M. Galt, 60, of Red Deer, on Sept. 18.

### Handkerchief Sachets Are Fun For Girls To Make

Handkerchief sachets are a fun and easy way for girls to make a gift or a decoration. They can be made in many different shapes and sizes, and they can be filled with scented herbs or flowers. They are also a great way to use up old handkerchiefs.

### UNCLE WIGGILY'S BEDTIME STORY

By Howard R. Garis

Mr. How Wiggly and Nurse Jane Wiggly were sitting in their room, looking at a picture of a rabbit. The rabbit was sitting in a field, and it was looking at a piece of paper. The rabbit was holding a piece of paper in its paws, and it was looking at it with a serious expression.

## TLC Adopts Vote Compromise Plan

Internationalists Plan  
Rejected By Convention

CALGARY, Sept. 21.—(CP)—A compromise between factions struggling for power in the Trades and Labor Congress of Canada was worked out at the TLC convention today.

The convention rejected, without a Canadian Communist element a change in its voting system, which will have the effect of cutting down the influence of the CIO in future elections.

### EXECUTIVE BACKING

It was learned from the convention that the CIO faction, which was not opposed by the other side, had secured the support of the executive committee. This was a more drastic alteration of the representation system.

The chief object of the change is to get as far as possible from the CIO, which is the main source of the CIO's strength in the TLC.

Frank H. Hall of Montreal had sought originally the support of the "left" voting system of the American Federation of Labor.

ONE VOTE EACH  
For the common interest of the CIO and the CIO, the CIO has the right to vote one vote each.

The CIO has the right to vote one vote each, and the CIO has the right to vote one vote each.

1950 Studebaker Champion Street Coupe for 5

CANADA expects the unexpected from Studebaker—and here it is—the "next look" in cars!

Dynamically new in form and substance, this is a truly inspired 1950 Studebaker.

Its styling is more distinctive than the "new look" that Studebaker originated three years ago.

There is a complete line of completely new 1950 Studebaker Champions—the sensationally advanced design leader in the moderate price field.

Stop in for a look. New in eye appeal and drive appeal, this 1950 Studebaker is starting another Studebaker buying wave.

The 1950 Studebaker stands out in advancement!

Longer in wheelbase! Greater in overall length! Self-aligning and steering from wheel suspension! Higher compression Champion engines of increased horsepower! Wide-open wheel and axle low-pressure tires! Self-aligning brakes! Symmetrically arranged variable ratio steering! Chrome windows and windshield! "Black light" instrument panel dials! Water-cooled Studebaker Villaggio! Automatic Hill Holder, gas-saving automatic overdrive transmission. Studebaker Champion heating and ventilation. Studebaker Champion Philo drive, available on all 1950 Champions at additional cost.

*Autumn Fashion...**a Symphony of  
Fabric and Colour*

Your costume, this Fall, will be narrow and straight, slim with fluid lines added, or gently full—whichever YOU choose for becomingness. And your choice, this Fall, will have great distinction because fabrics have a new beauty of texture, colours—a new depth of tone.

This composition of fabric, colour, fashion is to be found in the Autumn collection of coats, suits, dresses, hats and accessories at Eaton's.

See the Autumn Fashion Story depicted in our Window Displays . . . Visit Fashion Departments on Main and Second Floors for new Ready-to-Wear and Accessories in EATON'S new Confederation Colours.
